1. Mos - es built a tem - ple In days of long a - go.  
 2. I can be a tem - ple Like that of long a - go.  
 3. Make my pray'r like in - cense, The Bib - le is my bread,

Bread He placed and in - cense And set the lamps a - glow.  
 Here's my heart dear Je - sus, To make as white as snow,  
 Let me not be self - ish, But shine for Thee in - stead,

Bring - ing ten com - mand - ments, He made all clean and bright  
 Put the ten com - mand - ments On tab - les of my heart  
 Then at last in judg - ment, Save me by Thy free grace,

Je - sus came and filled it With pure and Ho - ly light.  
 Light my lit - tle cand - les, Thy Spir - it sweet im - part.  
 Fill me with Thy glo - ry, Read - y to see Thy face.
